BACKGROUND / SUMMARY:

The School Board adopted a regulation on October 8, 2019 stating that the board must approve purchases over \$50k.

We are requesting approval of the following purchase for FY24:

WiFi Access Points - \$90,000

This is an e-rate approved project which will provide funding from the Universal Service Fund to cover 60% of the expected cost of \$225,000. The remaining 40% will be covered out of the technology budget. The new access points will replace existing access points that are 8 years old.

REQUESTED ACTION: Approve the requested purchase.
