AGENDA TITLE: Resolution to Change the Name of the Middle Peninsula Northern Neck Community Services Board

BACKGROUND / SUMMARY: At the December 2023 MPNN CSB Board of Directors meeting, the Board determined that there is confusion concerning its name, and further, that the name does not adequately describe to the public the services the community services board currently provides. Accordingly, the Board of has requested that the name of the community services board be changed from “Middle Peninsula Northern Neck Community Services Board” to the name, “Middle Peninsula Northern Neck Behavioral Health,” effective April 1, 2024, in order to more accurately describe to the public the services the community services board provides.

In the Performance Contract with the Department of Behavioral Health and Developmental Services (DBHDS) a change in name requires that the CSB obtain approval from each of the localities.

As this coincides with our 50th Anniversary this year, we are planning to attend local community events throughout the ten counties; e.g., Daffodil Festival, to raise up our agency as to who we are and what services are available.

We are requesting the Board’s approval of the attached resolution.
