AGENDA TITLE: Presentation of Results of Youth Programming Needs Survey

BACKGROUND / SUMMARY: From March 5 – May 6, Zencity conducted a survey on the youth programming needs in the County. 402 respondents were recruited through various methods to ensure a representative sample. Survey questions asked about the issues facing Gloucester’s youth, and desired programs, amenities and opportunities. The goal of the survey was to provide information for relevant departments to utilize for effective programming and the Board to use when considering future opportunities and funding for youth in the County. Mr. Wright will provide a summary of the findings to the Board.
