TITLE: Director of Planning, Zoning, & Environmental Programs

AGENDA TITLE: Community Planning Month

BACKGROUND / SUMMARY:

Since 2008, Gloucester County has participated in a nationwide initiative to recognize citizen and professional planners annually throughout the month of October. Each year, the Board of Supervisors has proclaimed October as Community Planning Month to recognize the planning efforts occurring within Gloucester. We are fortunate to have such a dedicated team of citizen planners working with planning and zoning staff on several major code amendments, including the Zoning Ordinance rewrite. This has been a long and complicated process and staff appreciates everyone’s efforts as we worked to produce an adoptable version of this ordinance. In addition, the Transportation Planning Advisory Committee (TPAC) has been very helpful in working with staff on transportation planning and projects. Staff has prepared a proclamation for the Board to adopt at their September 17th meeting.
