AGENDA TITLE: Update to Meeting Calendar to Add Joint Tour of Gloucester High School

BACKGROUND / SUMMARY: At the August 5th meeting, Dr. Orth requested that a tour of the Gloucester High School renovations be arranged. It was requested by the schools that the School Board participate in the tour as well as has been done in the past. After consideration of possible dates, September 11 was determined to be the best for all participants. It is necessary to adopt an amendment to the Board's meeting calendar to add the tour on September 11, 2025, beginning at 5:00 p.m.
